About Ulster Hockey

Ulster Hockey is one of four affiliated branches that together form Hockey Ireland. Hockey Ireland, as the overall governing body for the sport across the island, is the principal body responsible for the development of hockey at all levels. In its relationship with Hockey Ireland, Ulster Hockey has responsibility for the administration, development, and delivery of hockey within Ulster. Following the amalgamation of the Ulster Branch of the then Irish Hockey Association (UBIHA) and the Ulster Women's Hockey Union (UWHU) to form the Ulster Hockey Union (UHU) in May 2009.

Ulster Hockey currently supports the efforts of 27 men's and 50 women's clubs (Men & Women) and 12,000 members and players across the Province. The headquarters of Ulster Hockey is in Belfast.

Ulster Hockey works with a range of public bodies to deliver on its key strategic objectives. Core to this work is providing support and services to clubs, members and players which strengthens the ongoing development and delivery of sport within Ulster.

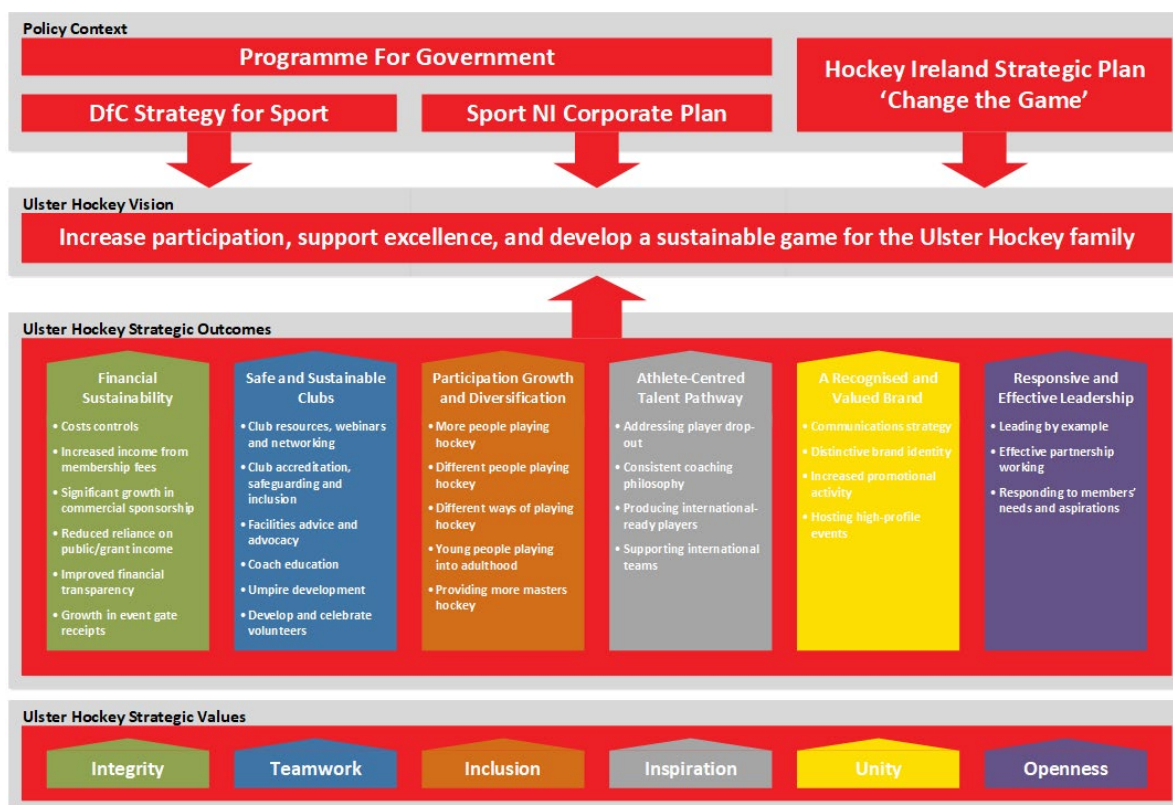

With the support of Ulster University and endorsement of Hockey Ireland, Ulster Hockey is seeking to recruit a Talent & Pathways Officer to strengthen and embed the talent development system in the sport and to contribute to the success of both Ulster Hockey and Ulster University in developing talented players to their full potential. The priorities for the development of our talent pathway and the scope of the role within the wider strategic context is clearly outlined in the Ulster Hockey strategy.

This is a newly developed position.

Strategic Framework

Over the last six months, Ulster Hockey consulted extensively with Board members, staff, volunteers and players - young and old - to identify the key issues and challenges facing the organisation and priorities that need to be addressed in the short, medium, and longer-term. Throughout the process, it was clear that stakeholders' concerns were centred on sustaining the expectations associated with modern club activities, including administration, coaching, umpiring and increasingly, statutory obligations.

This process has resulted in a Strategic Plan, designed to establish outcomes, objectives and related actions for the development of Hockey in Ulster over the period 2021 and 2026. It aims to ensure sustainability amongst all clubs and provide targeted growth in those priority areas identified in the plan. The emphasis on creating sustainable clubs and offering focused support for key initiatives over the lifetime of this plan emerged from a detailed engagement and consultation process, with the following strategic framework developed.
