MARGARET MCCORMACK ULSTER HOCKEY

Hello and welcome to today's finals at Havelock Park.

I would like to start by congratulating our finalists on reaching this far in the two competitions as well as good luck in your respective matches.

I'm sure both of today's games will be both competitive and played in a sporting manner and I can't wait to see the quality on show.

Days like today would not be possible without the continued support of you teachers and parents who give up so much time to give their support and on behalf of Ulster Hockey I would like to thank them for doing so.

It is also important to highlight the umpires and the dedication and time they have put in so that they can be here today.

A special thank you to Banbridge Hockey Club for the use of your amazing facilities today as well as the hospitality that you are providing.

Finally, thank you to the McCullough family, who have helped run this competition for 62 years and the final is always a special occasion.
